STREET PICKED FOR ALL-AMERICAN NINE

Walter Johnson Is Also on the Team.

BOSTON AUTHORITY SAYS SO

Sam Carriek Names Mack, of Athletics, as Manager, Baker and Collins in Infield, and Ty Cobb, Magee, and Speaker as the Choice for the Outfield Positions.

The foregoing is the annual selection of an All-American baseball team made by S. P. Carriek, a Boston authority on the national game. In it Carriek names Connie Mack as manager and gives positions on the team to three others of the new world's champions.

Connie Mack has been picked by the writer as manager on the strength of his showing for the past ten years rather than from the fact of his, his supremely successful season. The selection is made with full appreciation of Hughie Jennings, John McGraw, Fred Lake, Patsy Donovan, and other tried and successful big league leaders.

In the ten years Manager Mack has piloted the Athletics they have won 329 and lost 416 games. The team has finished first three times, second three times, fourth twice, fifth once, and sixth once. In but one season (1905) did the Athletics fail to win more than half of their games, and their total of victories is greater by more than fifty games than any other club for an equal period.

EASTERN TRIMS BUSINESS BY THE SCORE OF 13 TO 0

Stenographers Are Completely Outclassed by Light, Well-coached Capital Hill Eleven.

By WILLIAM PEET.

Eastern High School's football eleven handed out the biggest surprise of the interscholastic season yesterday when the Capital Hill lads completely outclassed Business High's heavy team, winning by two touchdowns and a safety, or 13 to 0.

At no time did the Stenographers have a chance to score. Once or twice a few spasmodic gains cropped out, but Eastern's defense was too strong, and Business never rushed the ball nearer the Light Blues' goal than the 40-yard line.

It was not because Business was so weak that Eastern won, but rather that Eastern displayed the best team work. There were no individual stars in the Capital Hill aggregation. Each man knew just what to do, and did it. The weight in favor of the Stenographers amounted to nothing, as Eastern gained through the line and around the ends almost at will.

Coach Charley Donnelly has this year given Eastern the best team of its size in the history of high school football. If he had the heavy material always on hand at Tech, Central, or Business, there is no question that he would have rounded out a team that would have swept every other high school aggregation off its feet.

Capt. Parker's work for Eastern yesterday stamps him as the all-high school quarter back for 1910. He used rare judgment at all times and seldom failed to make gains when he rushed the ball himself.

With the exception of Scott, Zappone, and Black, who displayed real fighting spirit until the last, the other men on the Business eleven were badly outclassed, and how this team held out down to a 6-0 score still remains a mystery.

The Game in Detail.

The game opened up by Scott, of Business, kicking off to Parker, who rushed the ball back 8 yards before being downed by Dodge. The Eastern team then proceeded to make one of the greatest marches down the field that any one ever saw in a high school contest. Eastern went from the 25-yard line on eight first downs for the first touchdown of the game, the Eastern backs alternating in carrying the oval for gains aggregating from 5 to 9 yards on a piling. Only three runs were tried, and they resulted in gains for the Capital Hill lads. Chase kicked the goal after the Easterns shoved Parker over the line, making the score: Eastern, 6; Business, 0.

The teams lined up again. This time Business chose to receive and McCaffery sent the ball sailing down the field to Boe, who fumbled, but Harry recovered it and made 8 yards before he was pulled down. On a trick play, Rathbone went through the line for a first down, and Boe then sent him through the same place for a second down. The advance stopped them as Eastern's line held like a stone wall, and on the next scrimmage the Stenographers were off-side.

The Capital Hill lads put up a stone wall defense in the opening of the second period, and the ball went to them on downs. The backs of the Easterners started again on a steady march for another goal, but when they tried a forward pass Rathbone intercepted it and went 6 yards before being tackled by Defendant. Business was then held for downs and Business repeated the same trick on Eastern when the ball was transferred. Scott punted to Weaver and was downed by Black before he had traveled 5 yards.

Eastern Scores Again.

A series of line plunges by the Capital Hill lads netted them four first downs. They were within striking distance of the Stenographers' goal and Chase was picked to try a field goal, but the ball was blocked and started to roll toward the Business goal. Dodge made a try to get it, but Williams was ahead of him and fell on the ball as it crossed the line, making the second touchdown of the game. On the punt out the ball struck the ground and no goal could be kicked.

The second period ended as the teams lined up. Business ready to receive the ball. The third period opened by McCaffery kicking to Zappone, who went 8 yards before being tackled by Defendant. Business was held for downs on the next two scrimmages, and the ball was transferred to the Capital Hill lads. Defendant punted to Scott, who went 8 yards before being tackled. Rathbone then tried a forward pass to Boe, who fumbled and Chase recovered the oval for Eastern. But on the next play the ball was returned to Business, as Rathbone intercepted a forward pass that was meant for Weaver. Scott punted to Weaver on the next line-up, who fumbled, but Williams recovered the oval for Eastern. Weaver tried a forward pass, but it was intercepted by Defendant, as Zappone intercepted the throw and carried the ball 10 yards before being brought to earth by Smith.

Scott tried a fake kick, but was promptly set back for a loss, and on the next line-up he tried the same play, and with a little luck he would have made the required 10 yards, but as it turned out he just brought the ball back to where it was of the first down. Scott then punted to Parker, who was downed in his tracks by Dodge. Eastern was held for downs on the next scrimmage and Scott, who punted for Business, had his attempt blocked, but recovered the oval for his team. He then got off a good punt to Parker, who was brought to earth by Black after he had traveled 8 yards. The third period ended with the ball in midfield.

Business Does Better.

The fourth period saw the Business team put up a stone wall defense, and Eastern was held for downs. Molineau tried a forward pass on the next line-up, but Chase was in the way, and the ball was Eastern's again. Defendant punted to Scott, and Scott returned the punt on the next line-up, Parker getting the oval, and was only downed after traveling 10 yards. On a fake kick Parker went around end for a first down, and then Weaver went around end for a gain of 20 yards. The ball was then on Business' 2-yard line, and the Stenographers held like a stone wall, the ball going over to them on downs. Scott fell back of the

goal line and started to punt, but the Capital Hill lads were upon him, and he tried to run the ball out, only to be thrown back of his own goal line for a safety. Score—Eastern, 13; Business, 0. The ball was put in play on the 25-yard line, and on a forward pass, Rathbone to Dodge, they gained first down. They worked this play with the same result a minute later. On the next play they tried it again. This time Chase intercepted, and the whistle announced the close of the game.
